

Thank you for your recent inquiry into **Dragonfly Detachable Fairings** and full product line. Dealer pricing is available to any motorcycle shop/dealership for individual purchases. Wholesale pricing is available for orders of five or more **Detachable Fairings**, and on orders of ten or more **Electra Glide Stereo Upgrade** kits and/or **Tour Pack Speaker Pods, call for quote on quantity of speaker adapters**. After receiving a Faxed copy of the following items we will FAX or email you a copy of our Wholesale/Dealer Price Sheet:

- a) Business License and Resale Certificate
- b) Current ad, website address or other advertising for your business on letterhead with your contact info
- c) Three motorcycle industry references with which you have a current dealer account (please provide company, name of account rep. and contact info)

**Dragonfly Detachable Fairings** mount easily to Harley Davidson models Road King®, Heritage Softail®, Softail Deluxe® and Fat Boy® using the factory windshield mounts. The fairing weighs approximately 25 lbs. loaded up with a stereo and speakers. It is bolts stability and security. For fitment onto a Road King®, the spotlights must be moved to the forward position. For Fat Boy® the fairing mounts onto a Heritage style spotlight bracket.

**Dragonfly Detachable Fairings** are designed to fit with many options for up selling and customizing with most '96-current Harley-Davidson fairing accessories. Some of our popular options are: factory-matched paint, waterproof stereo, exclusive **Detachable Fairing Stereo Hand Controls**, SIRIUS satellite radio, chrome windshield molding, 3-pouch windshield bags and a variety of windshield heights and tints.

Each piece is made in the USA of machine-stamped quality, injection molded composite materials, and comes in black gel-coat finish ready to be painted. We can factory-match most paint, including two-toned, pinstriped, 100<sup>th</sup> and 105<sup>th</sup> Anniversary stripes and Screamin' Eagle paint schemes.

**Dragonfly Speaker Pods**, sold with or without speakers, fit on the full-sized Harley-Davidson Tour Pac®. They house most 6 ½" speakers and match the seat in smooth black, soft-touch vinyl. We offer water-resistant **Kenwood 6 ½"speakers** for these pods. **OEM Speaker/Amp Upgrades** are also a great way to get your customer's OEM radio to kick out some killer quality sound. Many options are available from **Stage I to Stage IV**. Also available for aftermarket stereos.

With Dragonfly, you will ride in-style and with great sound. We are always adding new products to our line; please check out our website for more potential sales to your customers! Please call if you have any questions or would like to place an order. We look forward to working with you!

Sincerely,

Sandra Martin
